### Descriptions of the different roles

Below are brief descriptions of the roles of Union Reps and Executive Board Members. If you want to talk about what it would be like to be a SHARE Rep or to be on the Executive Board, or if you have other questions, please call the SHARE office at 508-929-4020, or talk to someone you know who is involved with SHARE.

**SHARE Reps:** There is at least one Union Rep for every 25-50 SHARE members. A Rep is a contact person for their area. Union Reps get training from SHARE to move information between co-workers and union leadership. They can also get training in helping co-workers solve problems (for example, with discipline or work schedules) if they want to. Reps are elected for a 1-year term.

**SHARE Executive Board Members:** Executive Board members have responsibility for the whole union, and in particular for their region (several hundred people). They make decisions about the direction of our union and participate in contract negotiations. They serve for 2-year terms. There are 13 positions on the SHARE Executive Board:

- 4 Officers: A Co-President from University-connected locations and a Co-President from Memorial-connected locations; a Secretary and a Treasurer elected at large (by all SHARE members).
- 9 Regional Executive Board Members: based on what department they are in.

### Election: in late July if there are too many nominees for the number of positions

The election will be held by electronic ballot, hosted professionally by [ElectionBuddy.com](https://electionbuddy.com), an online voting service that meets the standards set by the U.S. Department of Labor and by our parent union, AFSCME.

# Positions Open for Nomination in 2022

All SHARE Representative positions are up for election every year. Executive Board positions are up for election every two years. See below for the “even year” positions up for election in 2022. Note that there are also two vacant “odd year” positions which are up for election in 2022.\*

## What is my region?

Rep and Executive Board positions are divided by location and by region. Your region is based on the kind of department you are in, not what kind of job you do. For example, a secretary in a technical department is in the Technical region, and an LPN in a clinic is in the Ambulatory region. If you have questions, please email [share.elections@theshareunion.org](mailto:share.elections@theshareunion.org) or leave a message at the SHARE office at 508-929-4020.
